(q) To issue any of the shares of its capital stock of any class now or hereafter authorized for such considerations permitted by law and upon such terms and conditions as to the Board of Directors may seem proper in its absolute discretion, and the stock so issued shall be fully paid and not liable to any further call or payment thereof; in the absence of actual fraud in the transaction, the judgment of the Board of Directors as to the value of the property or other consideration received for the shares of capital stock shall be conclusive.

FOURTH: The total number of shares of all classes of stock which the corporation is authorized to issue is 500,100,000; of which 500,000,000 shares, having a par value of \$1 each, shall be Common Stock; and 100,000 shares having a par value of \$100 each shall be Preferred Stock, with or without voting powers, full or limited, and in such series and with such designations, preferences and relative, participating, optional or other special rights and qualifications, limitations or restrictions in respect to each class of stock or series thereof as hereinafter provided.

(a) General. Except as may otherwise be expressly provided for herein or in any amendment hereto and subject to the provisions hereof, the Board of Directors shall have the authority to authorize and provide for the issue of the Preferred Stock or any one or more series thereof and, in the resolution or resolutions providing for the issue of any such stock adopted by the Board of Directors pursuant to the authority vested in it by the provisions hereof, shall state the designations, preferences and relative, participating, voting, optional or other special rights, and the qualifications, limitations or restrictions thereof. The Board of Directors shall also have the power to increase or decrease the authorized amount of any Preferred Stock or series thereof, but not in excess of the amount provided for in the first sentence of this Article Fourth, as may be authorized under the General Corporation Law of Delaware.

(b) Dividends. The holders of the Preferred Stock or of any series thereof shall be entitled to receive dividends at such rates and on such conditions and at such times as shall be stated and expressed in the resolution or resolutions provided for the issue of such stock adopted by the Board of Directors as hereinabove provided, payable in preference to, or in such relation to, the dividends payable on any other class or classes of stock, and cumulative or non-cumulative as shall be so stated or expressed. When dividends upon the Preferred Stock or any series thereof, if any, to the extent of the preference to which such stocks are entitled, shall have been paid or declared and set apart for payment, all dividends, whether in cash or in property or otherwise, as may be declared by the Board of Directors from time to time, shall be paid ratably and equally, share for share, on all the outstanding shares of the Common Stock.

(c) Voting Rights. The holders of the Preferred Stock or of any series thereof shall have such voting power, if any, not in excess of one vote for each share, and to such extent as may be stated and expressed in the resolution or resolutions providing for the issue of such stock adopted by the Board of Directors as hereinabove provided. Unless otherwise stated and expressed in the resolution or resolutions providing for the issue of such stock adopted by the Board of Directors as hereinabove provided, the holders of the Preferred Stock or of any series thereof shall have no voting rights or voice whatsoever as holders of such stock in the affairs or management of the corporation or to notice of any meeting of stockholders, except as specifically required by law. Except to the extent that the Preferred Stock or any series thereof may also be granted the right to vote as set forth above, the holders of the Common Stock shall have the exclusive voting power and rights, one vote for each share, for all purposes. Any and all voting power of the Common Stock and of the Preferred Stock or any series thereof which may be granted voting power shall be exercised on a share for share basis; and no class of stock or series thereof shall be entitled to vote as a class or series on any matter, except as specifically required by law. The aggregate amount of the authorized Preferred Stock set forth in the first sentence of this Article Fourth may be increased or decreased solely by the affirmative vote of the holders of a majority of the outstanding shares of the Common Stock.

(d) Redemption or Repurchase.

(i) The Preferred Stock or any series thereof may be made subject to redemption at such time or times and at such price or prices and on such other terms and conditions as shall be stated and expressed in the resolution or resolutions providing for the issue of such stock adopted by the Board of Directors as hereinabove provided.

(ii) The corporation may also at its election, pursuant to authority granted by the Board of Directors at any time or from time to time, purchase for retirement at public or private sale all or any shares of the Preferred Stock or any series thereof upon the best terms reasonably obtained, but in no event at prices greater than the respective redemption prices of such stock. Any such stock so purchased for retirement is to be cancelled and is not to be reissued.

(iii) The corporation may also at its election, pursuant to authority granted by the Board of Directors at any time or from time to time, purchase at public or private sale all or any shares of the Preferred Stock or any series thereof and/or any shares of Common Stock, to be held as treasury stock of the corporation or for reissue, at purchase prices in the case of the Preferred Stock or any series thereof no greater than the respective redemption prices thereof, and in the case of the Common Stock at such price or prices as the Board of Directors may from time to time deem reasonable.

(e) Liquidation Rights. The holders of the Preferred Stock or of any series thereof shall be entitled to such preferential or special rights upon the dissolution of, or upon any distribution of the assets of, the corporation as shall be stated and expressed in the resolution or resolutions providing for the issue of such stock adopted by the Board of Directors as hereinabove provided. All remaining available assets shall then be distributed, in cash or other property or both, ratably among the holders of the then outstanding Common Stock.

(f) Conversion Rights. Any preferred Stock or any series thereof may be made convertible into, or exchangeable for, shares of any other class or classes or of any other series of the same or any other class or classes of stock of the corporation at such price or prices or at such rate of exchange and such adjustments as shall be stated and expressed or provided for in the resolution or resolutions providing for the issue of such stock adopted by the Board of Directors as hereinabove provided.

(g) Preemptive Rights. No holder of any of the stock of the corporation shall, as such holder, have any right to purchase or subscribe for any stock or warrants of any class or series thereof which the corporation may issue or sell, whether such stock or warrants are exchangeable for any shares of the corporation of any class or classes or series thereof, and whether such stock is issued out of the number of shares authorized by the certificate of incorporation of the corporation as originally filed or by any amendment thereof, or out of shares of the stock of the corporation acquired by it after the issue thereof; nor shall any holder of any of the stock of the corporation, as such holder, have any right to purchase or subscribe for any obligation, option or warrant which the corporation may issue or sell that shall be convertible into, or exchangeable for any shares of the stock of the corporation of any class or classes or series thereof, or to which shall be attached or shall appertain any warrant or warrants or other instrument or instruments that shall confer upon the holder or owner thereof the right to subscribe for, or purchase from the corporation, any shares of its stock of any class or classes or series thereof.

(h) Series A Junior Participating Preferred Stock. The designation and amount of the initial series of Preferred Stock and the powers, preferences and relative, participating, optional and other special rights of the shares of such series, and the qualifications, limitations or restrictions thereof are as follows:

Section 1. Designation and Amount The shares of such series shall be designated as "Series A Junior Participating Preferred Stock" \$100.00 par value, and the number of shares constituting such series shall be 45,000. Such number of shares may be increased or decreased by resolution of the Board of Directors; provided, that no decrease shall reduce the number of shares of Series A Junior Participating Preferred Stock to a number less than that of the shares then outstanding plus the number of shares issuable upon exercise of outstanding rights, options or warrants or upon conversion of outstanding securities issued by the Corporation.

Section 2. Dividends and Distributions

(A) Subject to the prior and superior rights of the holders of any shares of any series of Preferred Stock ranking prior and superior to the shares of Series A Junior Participating Preferred Stock with respect to dividends, the holders of shares of Series A Junior Participating Preferred Stock in preference to the holders of shares of Common Stock, par value \$1.00 per share (the "Common Stock"), of the Corporation and any other junior stock, shall be entitled to receive, when, as and if declared by the Board of Directors out of funds legally available for the purpose, quarterly dividends payable in cash on the first day of January, April, July, and October in each year (each such date being referred to herein as a "Quarterly Dividend Payment Date"), commencing on the first quarterly Dividend Payment Date after the first issuance of a share or fraction of a share of Series A Junior Participating Preferred Stock in an amount per share (rounded to the nearest cent) equal to the greater of (a) \$10.00, or (b) subject to the provision for adjustment hereinafter set forth, 1000 times the aggregate per share amount of all cash dividends, and 1000 times the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions other than a dividend payable in shares of Common Stock or a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise), declared on the Common Stock, since the immediately preceding Quarterly Dividend Payment Date, or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of Series A Junior Participating Preferred Stock. In the event the Corporation shall at any time after November 5, 1987 (the "Rights Declaration Date") (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the amount to which holders of shares of Series A Junior Participating Preferred Stock were entitled immediately prior to such event under clause (b) of the preceding sentence shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) The Corporation shall declare a dividend or distribution on the Series A Junior Participating Preferred Stock as provided in paragraph (A) above immediately after it declares a dividend or distribution on the Common Stock (other than a dividend payable in shares of Common Stock); provided that, in the event no dividend shall have been declared on the Common Stock during the period between any Quarterly Dividend Payment Date and the next subsequent Quarterly Dividend Payment Date, a dividend of \$10.00 per share on the Series A Junior Participating Preferred Stock shall nevertheless be payable on such subsequent Quarterly Dividend Payment Date.

(C) Dividends shall begin to accrue and be cumulative on outstanding shares of Series A Junior Participating Preferred Stock from the Quarterly Dividend Payment Date next preceding the date of issue of such shares of Series A Junior Participating Preferred Stock unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend

Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of shares of Series A Junior Participating Preferred Stock entitled to receive a quarterly dividend and before such Quarterly Dividend Payment Date in either of which events such dividends shall begin to accrue and be cumulative from such Quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the shares of Series A Junior Participating Preferred Stock in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding. The Board of Directors may fix a record date for the determination of holders of shares of Series A Junior Participating Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be no more than 30 days prior to the date fixed for the payment thereof.

Section 3. Voting Rights. The holders of shares of Series A Junior Participating Preferred Stock shall have the following voting rights:

(A) Subject to the provision for adjustment hereinafter set forth, each share of Series A Junior Participating Preferred Stock shall entitle the holder thereof to 1 vote on all matters submitted to a vote of the shareholders of the Corporation.

(B) Except as otherwise provided herein or by law, the holders of shares of Series A Junior Participating Preferred Stock and the holders of shares of Common Stock shall vote together as one class on all matters submitted to a vote of shareholders of the Corporation.

(C) (i) If at any time dividends on any Series A Junior Participating Preferred Stock shall be in arrears in an amount equal to six (6) quarterly dividends thereon, the occurrence of such contingency shall mark the beginning of a period (herein called a "default period") which shall extend until such time when all accrued and unpaid dividends for all previous quarterly dividend periods and for the current quarterly dividend period on all shares of Series A Junior Participating Preferred Stock then outstanding shall have been declared and paid or set apart for payment. During each default period, all holders of Preferred Stock (including holders of the Series A Junior Participating Preferred Stock) with dividends in arrears in an amount equal to six (6) quarterly dividends thereon, voting as a class, irrespective of series, shall have the right to elect two (2) Directors.

(ii) During any default period, such voting right of the holders of Series A Junior Participating Preferred Stock may be exercised initially at a special meeting called pursuant to subparagraph (iii) of this Section 3(C) or at any annual meeting of shareholders, and thereafter at annual meetings of shareholders, provided that neither such voting right nor the right of holders of any other series of Preferred Stock, if any, to increase, in certain cases, the authorized number of Directors shall be exercised unless the holders of ten percent (10%) in number of shares of Preferred Stock outstanding shall be present in person or by proxy. The absence of a quorum of the holders of Common Stock shall not affect the exercise by the holders of Preferred Stock of such voting right. At any meeting at which the holders of Preferred Stock shall exercise such voting right initially during an existing default period, they shall have the right, voting as a class, to elect Directors to fill such vacancies, if any, in the Board of Directors as may then exist up to two (2) Directors or, if such right is exercised at an annual meeting, to elect two (2) Directors. If the number which may be so elected at any special meeting does not amount to the required number, the holders of the Preferred Stock shall have the right to make such increase in the number of Directors as shall be necessary to permit the election by them of the required number. After the holders of the Preferred Stock shall have exercised their right to elect Directors in any default period and during the continuance of such period, the number of Directors shall not be increased or decreased except by vote of the holders of Preferred Stock as herein provided or pursuant to the rights of any equity securities ranking senior to or pari passu with the Series A Junior Participating Preferred Stock.

(iii) Unless the holders of Preferred Stock shall, during an existing default period, have previously exercised their right to elect Directors, the Board of Directors may order, or any shareholder or shareholders owning in the aggregate not less than ten percent (10%) of the total number of shares of Preferred Stock outstanding, irrespective of series, may request, the calling of a special meeting of the holders of Preferred Stock, which meeting shall thereupon be called by the President, a Vice-President or the Corporate Secretary of the Corporation. Notice of such meeting and of any annual meeting at which holders of Preferred Stock are entitled to vote pursuant to this Paragraph (C)(iii) shall be given to each holder of record of Preferred Stock by mailing a copy of such notice to him at his last address as the same appears on the books of the Corporation. Such meeting shall be called for a time not earlier than 10 days and not later than 60 days after such order or request or in default of the calling of such meeting within 60 days after such order or request, such meeting may be called on similar notice by any shareholder or shareholders owning in the aggregate not less than ten percent (10%) of the total number of shares of Preferred Stock outstanding. Notwithstanding the provisions of this Paragraph (C)(iii), no such special meeting shall be called during the period within 60 days immediately preceding the date fixed for the next annual meeting of the shareholders.

(iv) In any default period, the holders of Common Stock, and other classes of stock of the Corporation if applicable, shall continue to be entitled to elect the whole number of Directors until the holders of Preferred Stock shall have exercised their right to elect two (2) Directors voting as a class, after the exercise of which right (x) the Directors so elected by the holders of Preferred Stock shall continue in office until their successors shall have been elected by such holders or until the expiration of the default period, and (y) any vacancy in the Board of Directors may (except as provided in Paragraph (C)(ii) of this Section 3) be filled by vote of a majority of the remaining Directors theretofore elected by the holders of the class of stock which elected the Director whose office shall have become vacant. References in this Paragraph (C) to Directors elected by the holders of a particular class of stock shall include Directors elected by such Directors to fill vacancies as provided in clause (y) of the foregoing sentence.

(v) Immediately upon the expiration of a default period, (x) the right of the holders of Preferred Stock as a class to elect Directors shall cease, (y) the term of any Directors elected by the holders of Preferred Stock as a class shall terminate, and (z) the number of Directors shall be such number as may be provided for in, or pursuant to, the Restated Certificate of Incorporation or By-Laws irrespective of any increase made pursuant to the provisions of Paragraph (C)(ii) of this Section 3 (such number being subject, however to change thereafter in any manner provided by law or in the Restated Certificate of Incorporation or By-Laws). Any vacancies in the Board of Directors effected by the provisions of clauses (y) and (z) in the preceding sentence may be filled by a majority of the remaining Directors, even though less than a quorum.

(D) Except as set forth herein, holders of Series A Junior Participating Preferred Stock shall have no special voting rights and their consent shall not be required (except to the extent they are entitled to vote with holders of Common Stock as set forth herein) for taking any corporate action.

Section 4. Certain Restrictions

(A) Whenever quarterly dividends or other dividends or distributions payable on the Series A Junior Participating Preferred Stock as provided in Section 2 are in arrears, thereafter and until all accrued and unpaid dividends and distributions, whether or not declared, on shares of Series A Junior Participating Preferred Stock outstanding shall have been paid in full, the Corporation shall not

(i) declare or pay dividends on, make any other distributions on, or redeem or purchase or otherwise acquire for consideration any shares of stock ranking junior (either as to dividend or upon liquidation, dissolution or winding up) to the Series A Junior Participating Preferred Stock;

(ii) declare or pay dividends on or make any other distributions on any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A Junior Participating Preferred Stock except dividends paid ratably on the Series A Junior Participating Preferred Stock and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled;

(iii) redeem or purchase or otherwise acquire for consideration shares of any stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A Junior Participating Preferred Stock provided that the Corporation may at any time redeem, purchase or otherwise acquire shares of any such parity stock in exchange for shares of any stock of the Corporation ranking junior (either as to dividends or upon dissolution, liquidation or winding up) to the Series A Junior Participating Preferred Stock; or

(iv) purchase or otherwise acquire for consideration any shares of Series A Junior Participating Preferred Stock or any shares of stock ranking on a parity with the Series A Junior Participating Preferred Stock except in accordance with a purchase offer made in writing or by publication (as determined by the Board of Directors) to all holders of such shares upon such terms as the Board of Directors, after consideration of the respective annual dividend rates and other relative rights and preferences of the respective series and classes, shall determine in good faith will result in fair and equitable treatment among the respective series or classes.

(B) The Corporation shall not permit any subsidiary of the Corporation to purchase or otherwise acquire for consideration any shares of stock of the Corporation unless the Corporation could, under Paragraph (A) of this Section 4, purchase or otherwise acquire such shares at such time and in such manner.

Section 5. Reacquired Shares. Any shares of Series A Junior Participating Preferred Stock purchased or otherwise acquired by the Corporation in any manner whatsoever shall be retired and cancelled promptly after the acquisition thereof. All such shares shall upon their cancellation become authorized but unissued shares of Preferred Stock and may be reissued as part of a new series of Preferred Stock to be created by resolution or resolutions of the Board of Directors, subject to the conditions and restrictions on issuance set forth herein.

Section 6. Liquidation, Dissolution or Winding Up

(A) Upon any liquidation (voluntary or otherwise), dissolution or winding up of the Corporation, no distribution shall be made to the holders of shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A Junior Participating Preferred Stock unless, prior thereto, the holders of shares of Series A Junior Participating Preferred Stock shall have received per share, the greater of 1000 times \$175 or 1000 times the payment made per share of Common Stock, plus an amount equal to accrued and unpaid dividends and distributions thereon, whether or not declared, to the date of such payment (the "Series A Liquidation Preference"). Following the payment of the full amount of the Series A Liquidation Preference, no additional distributions shall be made to the holders of shares of Series A Junior Participating Preferred Stock unless, prior thereto, the holders of shares of Common Stock shall have received an amount per share (the "Common Adjustment") equal to the quotient obtained by dividing (i) the Series A Liquidation Preference by (ii) 1000 (as appropriately adjusted as set forth in subparagraph (C) below to reflect such events as stock splits, stock dividends and recapitalizations with respect to the Common Stock) (such number in clause (ii), the "Adjustment Number"). Following the payment of the full amount of the Series A Liquidation Preference and the Common Adjustment in respect of all outstanding shares of Series A Junior Participating Preferred Stock and Common Stock, respectively, holders of Series A Junior Participating Preferred Stock and holders of shares of Common Stock shall receive their ratable and proportionate share of the remaining assets to be distributed in the ratio of the Adjustment Number to 1 with respect to such Preferred Stock and Common Stock, on a per shares basis, respectively.

(B) In the event there are not sufficient assets available to permit payment in full of the Series A Liquidation Preference and the liquidation preferences of all other Series of Preferred Stock, if any, which rank on a parity with the Series A Junior Participating Preferred Stock then such remaining assets shall be distributed ratably to the holders of such parity shares in proportion to their respective liquidation preferences. In the event there are not sufficient assets available to permit payment in full of the Common Adjustment, then such remaining assets shall be distributed ratably to the holders of Common Stock.

(C) In the event the Corporation shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock or (ii) subdivide the outstanding Common Stock into a smaller number of shares, then in each such case the Adjustment Number in effect immediately prior to such event shall be adjusted by multiplying such Adjustment Number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that are outstanding prior to such event.

Section 7. Consolidation, Merger, etc. In case the Corporation shall enter into any consolidation, merger, combination or other transaction in which the shares of Common Stock are exchanged for or changed into other stock or securities, cash and/or any other property, then in any such case the shares of Series A Junior Participating Preferred Stock shall at the same time be similarly exchanged or changed in an amount per share (subject to the provision for adjustment hereinafter set forth) equal to 1000 times the aggregate amount of stock, securities, cash and/or any other property (payable in kind), as the case may be, into which or for which each share of Common Stock is changed or exchanged. In the event the Corporation shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the amount set forth in the preceding sentence with respect to the exchange or change of shares of Series A Junior Participating Preferred Stock shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that are outstanding immediately prior to such event.

Section 8. Redemption The shares of Series A Junior Participating Preferred Stock shall not be redeemable.

Section 9. Ranking The Series A Junior Participating Preferred Stock shall rank junior to all other series of the Corporation's Preferred Stock as to the payment of dividends and the distribution of assets, unless the terms of any such series shall provide otherwise.

Section 10. Amendment The Restated Certificate of Incorporation of the Corporation shall not be further amended in any manner which could materially alter or change the powers, preferences or special rights of the Series A Junior Participating Preferred Stock so as to affect them adversely without the affirmative vote of the holders of a majority or more of the outstanding shares of Series A Junior Participating Preferred Stock voting separately as a class.

Section 11. Fractional Shares. Series A Junior Participating Preferred Stock may be issued in fractions of a share which shall entitle the holder, in proportion to such holders' fractional shares, to exercise voting rights, receive dividends, participate in distributions and to have the benefit of all other rights of holders of Series A Junior Participating Preferred Stock.

THIRTEENTH: The corporation reserves the right to amend, alter or repeal any provision contained in this Certificate in the manner now or hereafter prescribed by the Statutes of Delaware, and all rights and powers conferred on directors and stockholders herein are granted subject to this reservation.

FOURTEENTH: (A) In addition to any affirmative vote required by law or under any other provision of this Certificate of Incorporation, and except as otherwise expressly provided in Paragraph (B), any Business Combination with respect to a Related Person shall require the affirmative vote of the holders of at least a majority of the outstanding shares of capital stock of the corporation entitled to vote generally in the election of directors, considered for the purpose of this Article Fourteenth as one class ("Voting Shares"). Such affirmative vote shall be required notwithstanding the fact that no vote may be required, or that some lesser percentage may be specified, by law or in any agreement with any national securities exchange or otherwise.

(B) The provisions of Paragraph (A) of this Article Fourteenth shall not be applicable to any particular Business Combination, and such Business Combination shall require only such affirmative vote as is required by law and any other provision of this Certificate of Incorporation if:

(1) A definitive agreement or other arrangement to effectuate the Business Combination was approved by a majority of the directors of the corporation at a time when the Related Person who is a party to the Business Combination did not beneficially own, directly or indirectly, 5% or more of the outstanding shares of capital stock of the corporation; or

(2) Such Business Combination has been approved by a majority of the Continuing Directors; or

(3) All of the following conditions shall have been satisfied:

(a) The aggregate amount of the cash and the fair market value (as of the date of the consummation of the Business Combination) of other consideration to be received per share by holders of the common stock of the corporation ("Common Stock") in such Business Combination is no less than the higher of:

(i) the price per share equal to the Market Price of Common Stock immediately prior to the announcement of such Business Combination, multiplied by the ratio of (a) the highest per share price (including brokerage commissions, transfer taxes and soliciting dealers' fees) which the Related Person has theretofore paid for any of the shares of Common Stock already owned by it, to (b) the Market Price of the Common Stock immediately prior to the commencement of acquisition of Common Stock by such Related Person; or

(ii) the highest per share price (including brokerage commission, transfer taxes and soliciting dealers' fees) paid by such Related Person for any shares of Common Stock acquired by it; provided, however, that, as used in the foregoing calculations, all prices per share shall be adjusted to reflect any subsequent stock splits, stock dividends, or other similar corporate actions.

(b) The aggregate amount of the cash and the fair market value (as of the date of consummation of the Business Combination) of other consideration to be received per share by holders of the preferred stock of the corporation ("Preferred Stock") in such Business Combination is no less than the highest of:

(i) the price per share equal to the Market Price of Preferred Stock immediately prior to the announcement of such Business Combination, multiplied by the ratio of (a) a highest per share price (including brokerage commissions, transfer taxes and soliciting dealers' fees) which the Related Person has theretofore paid for any of the shares of Preferred Stock already owned by it, to (b) the Market Price of the Preferred Stock immediately prior to the commencement of acquisition of Preferred Stock by such Related Person; or

(ii) the highest per share price (including brokerage commissions, transfer taxes and soliciting dealers' fees) paid by such Related Person for any shares of Preferred Stock acquired by it; or

(iii) the highest preferential amount per share to which the holders of shares of such class of Preferred Stock would be entitled in the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the corporation, regardless of whether the Business Combination to be consummated constitutes such an event; provided, however, that, as used in the foregoing calculations, all prices per share shall be adjusted to reflect any subsequent stock splits, stock dividends or other similar corporate actions.

The provisions of this subsection (3)(b) shall apply with respect to every class of outstanding Preferred Stock, whether or not the Related Person has previously acquired any such Preferred Stock.

(c) The consideration to be received by holders of a particular class of outstanding Voting Shares in such Business Combination shall be in the same form and of the same kind as the consideration paid by the Related Person in acquiring the shares of such class of Voting Shares already owned by it. If the Related Person has purchased shares of any class of Voting Shares with varying forms of consideration, the form of consideration for such class of Voting Shares to be paid in the Business Combination shall be either cash or the form previously used by such Related Person to acquire the largest number of shares of such class of Voting Shares.

(d) After such Related Person has acquired ownership of not less than 15% of the then outstanding Voting Shares (a "15% Interest") and prior to the consummation of such Business Combination:

(i) the Related Person shall have taken steps to ensure that the corporation's Board of Directors has included at all times representation by Continuing Director(s) proportionate to the ratio that the Voting Shares which from time to time are owned by Public Holders bear to all Voting Shares outstanding at such respective times (with a Continuing Director to occupy any resulting fractional Board position);

(ii) except as approved by a majority of the Continuing Directors, there shall have been no failure to declare and pay at the regular date therefor any full dividends (whether cumulative or not) on the outstanding Preferred Stock;

(iii) there shall have been no reduction in the rate of dividends payable on the Common Stock except as necessary to ensure that a quarterly dividend payment does not exceed 8.75% of the net income of the corporation for the four full consecutive fiscal quarters immediately preceding the declaration date of such dividend, or except as may have been approved by a majority of the Continuing Directors;

(iv) such Related Person shall not have become the beneficial owner of any newly issued shares of stock, directly or indirectly, from the corporation except upon conversion of convertible securities acquired by it prior to obtaining a 15% Interest or as a result of a pro rata stock dividend or stock split or except as may have been approved by a majority of the Continuing Directors;

(v) such Related Person shall not have become the beneficial owner of any additional Voting Shares or securities convertible into or exchangeable for Voting Shares except as a part of the transaction which resulted in such Related Person acquiring its 15% Interest; and

(vi) such Related Person shall not have (A) received the benefit, directly or indirectly (except proportionately as a stockholder), of any loans, advances, guarantees, pledges, or other financial assistance, or tax credits or other tax advantages provided by the corporation, (B) made any major change in the corporation's business or equity capital structure without the unanimous approval of the Continuing Directors, or (C) used any asset of the corporation as collateral, or compensating balances, directly or indirectly, for any obligation of such Related Person.

(e) a proxy or information statement responsive to the requirements of the Securities Exchange Act of 1934 shall have been mailed to all holders of Voting Shares at least 30 days prior to the consummation of such Business Combination. Such proxy statement shall contain:

(i) at the front thereof, in a prominent place, any recommendations as to the advisability (or inadvisability) of the Business Combination which the Continuing Directors, or any of them, may have furnished in writing; and

(ii) if deemed advisable by a majority of the Continuing Directors, an opinion of a reputable investment banking or appraisal firm as to the fairness (or lack of fairness) of the terms of such Business Combination, from the point of view of the Public Holders (such investment banking or appraisal firm to be selected by a majority of the Continuing Directors, to be a firm which has not previously been associated with or rendered services to or acted as manager of an underwriting or as agent for a Related Person, to be furnished with all information it reasonably requests and to be paid a reasonable fee for its services upon receipt by the corporation of such opinion).

(C) For the purposes of this Article Fourteenth:

(1) A "person" shall mean any individual, firm, corporation or other entity.

(2) The term "Business Combination" shall mean:

(i) any merger or consolidation of the corporation or any Subsidiary with or into (A) any Related Person or (B) any other corporation (whether or not itself a Related Person) which, after such merger or consolidation, would be an Affiliate of a Related Person; or

(ii) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions) to, by or with any Related Person of any assets of or to the corporation or any Subsidiary having an aggregate fair market value of \$1,000,000 or more; or

(iii) the issuance or transfer by the corporation or any Subsidiary (in one transaction or a series of transactions) of any securities of the corporation or any Subsidiary to any Related Person in exchange for cash, securities or other property (or a combination thereof); or

(iv) the adoption of any plan or proposal for the liquidation or dissolution of the corporation proposed by or on behalf of a Related Person; or

(v) any reclassification of securities (including any reverse stock split), recapitalization, reorganization, merger, or consolidation of the corporation with any of its subsidiaries, or any other transaction (whether or not with or into or otherwise involving a Related Person) which has the effect, directly or indirectly, of increasing the proportionate share of the outstanding shares of any class of equity or convertible securities of the corporation or any Subsidiary which is directly or indirectly owned by any Related Person; or

(vi) any agreement, contract or other arrangement providing for any of the transactions described herein.

(3) "Related Person" shall mean any person (other than the corporation or any Subsidiary; and other than any profit-sharing, employee stock ownership, or other employee benefit plan of the corporation or any Subsidiary, or any trustee of or fiduciary with respect to any such plan when acting in such capacity) who or which:

(a) is the beneficial owner, directly or indirectly, of not less than 15% of the Voting Shares; or

(b) is an Affiliate of the corporation and at any time within two years prior thereto was the beneficial owner, directly or indirectly, of not less than 15% of the then outstanding Voting Shares; or

(c) is an assignee of or has otherwise succeeded to any shares of capital stock of the corporation which were at any time within two years prior to thereto beneficially owned by any Related Person, and such assignment or succession shall have occurred in the course of a transaction or series of transactions not involving a public offering within the meaning of the Securities Act of 1933.

(4) A person shall be the “beneficial owner” of any Voting Shares:

(a) which such person or any of its Affiliates or Associates (as hereinafter defined) beneficially own, directly or indirectly; or

(b) which such person or any of its Affiliates or Associates has (i) the right to acquire (whether such right is exercisable immediately or only after the passage of time), pursuant to any agreement, arrangement or understanding or upon the exercise of conversion rights, exchange rights, warrants, or options, or otherwise, or (ii) the right to vote pursuant to any agreement, arrangement or understanding; or

(c) which are beneficially owned, directly or indirectly, by any other person with which such first mentioned person or any of its Affiliates or Associates has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting or disposing of any shares of capital stock of the corporation.

(5) “Public Holders” shall mean those holders of Voting Shares of the corporation who are not Related Persons.

(6) The outstanding Voting Shares shall include shares deemed owned through application of Section (4) above but shall not include any other Voting Shares which may be issuable pursuant to any agreement, or upon exercise of conversion rights, warrants or options, or otherwise.

(7) “Continuing Director” shall mean a member of the Board of Directors of the corporation who was first elected or appointed to the Board prior to the date as of which any Related Person became a Related Person and any successor to a Continuing Director who is unaffiliated with such Related Person and who was recommended or elected to succeed a Continuing Director by a majority of the then Continuing Directors.

(8) In the event of any Business Combination in which the corporation survives, the phrase “other consideration to be received” as used in sections (3)(a) and (b) of Paragraph (B) shall include the Voting Shares of the corporation retained by its Public Holders.

(9) “Affiliate” and “Associate” shall have their respective meanings given those terms in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934, as in effect on January 1, 1983.

(10) “Subsidiary” shall mean any corporation of which a majority of any class of equity security (as defined in Rule 3a11-1 of the General Rules and Regulations under the Securities Exchange Act of 1934, as in effect on January 1, 1983) is owned, directly or indirectly, by the corporation; provided, however, that for the purposes of the definition of a Related Person set forth in Section (3) of this Paragraph (C), the term “Subsidiary” shall mean only a corporation of which a majority of each class of equity security is owned, directly or indirectly, by the corporation.

(11) “Market Price” shall mean, with respect to any class of stock, the highest closing sale price, during the 30-day period immediately preceding the date in question, of a share of such stock on the New York Stock Exchange; or, if such stock is not listed on such Exchange, on the principal United States securities exchange registered under the Securities Exchange Act of 1934 on which such stock is listed; or, if such stock is not listed on any such exchange, the highest closing bid quotation, during the 30-day period immediately preceding the date in question, of a share of such stock on the National Association of Securities Dealers, Inc. Automated Quotations System or any such system then in use; or, if no such quotations are available, the fair market value on the date in question of a share of such stock as determined in good faith by a majority of the Continuing Directors.

(D) A majority of the Continuing Directors shall have the power and duty to determine for the purposes of this Article Fourteenth on the basis of information known to them:

(a) the number of Voting Shares beneficially owned by any person,

(b) whether a person is an Affiliate or Associate of another,

(c) whether a person has an agreement, arrangement or understanding with another as to the matters referred to in sections (4)(b) and (c) of paragraph (C), and

(d) whether the assets subject to any Business Combination have an aggregate fair market value of \$1,000,000 or more.

(E) Nothing contained in this Article Fourteenth shall be construed to relieve any Related Person from any fiduciary obligation imposed by law.

FIFTEENTH: (A) (1) Except as otherwise expressly provided in paragraph (A)(2) below, any purchase by the corporation, or any subsidiary of the corporation, of Voting Shares (as hereinafter defined) from a person or persons known by the corporation to be an Interested Stockholder (as hereinafter defined) at a per share price in excess of the Market Price (as hereinafter defined) at the time of such purchase of the shares so purchased, shall require the affirmative vote of not less than a majority of the votes entitled to be cast by the holders of all then outstanding Voting Shares not beneficially owned by the Interested Stockholder, voting together as a single class. Such affirmative vote shall be required notwithstanding the fact that no vote may be required, or that a lesser percentage or separate class vote may be specified, by law or in any agreement with any national securities exchange or otherwise.

(2) The provisions of Paragraph (A)(1) of this Article Fifteenth shall not be applicable to any purchase of Voting Shares, if such purchase is pursuant to (i) an offer, made available on the same terms, to the holders of all of the outstanding shares of the same class of those purchased or (ii) a purchase program effected on the open market and not the result of a privately-negotiated transaction.

(B) (1) In the event that there shall exist a Substantial Stockholder (as hereinafter defined) of the corporation and such existence shall be known or made known to the corporation in advance of a meeting of stockholders at which directors will be elected, each holder of Voting Shares shall be entitled, in connection with any vote taken for such election of directors,

to as many votes as shall equal the number of votes which (except for this provision as to cumulative voting) such stockholder would be entitled to cast for the election of directors with respect to such stockholder's Voting Shares multiplied by the number of directors to be elected, and such stockholder may cast all of such votes for a single director may distribute them among the number of directors to be voted for, or for any two or more of them as such stockholder may see fit.

(2) In connection with any election of directors in which stockholders are entitled to cumulative voting:

(a) The Board of Directors shall appoint a committee (the "Committee") consisting of three Directors.

(b) The Committee shall send to all stockholders of the corporation entitled to vote in the election of directors at least 90 days in advance of such election a written notice informing stockholders (i) that the cumulative voting provisions of this Article will be in effect, (ii) that persons meeting the eligibility requirements of subparagraph (B)(2)(c) may submit nominations to the Committee, if such nominations are received at least 60 days in advance of the election and contain relevant information concerning the nominee, including all information required to be included in a proxy statement under the Securities and Exchange Act of 1934 and the rules and regulations thereunder (or any subsequent provisions replacing such Act, rules or regulations), and the nominee's consent to be nominated, and (iii) as to the time, place and date of the meeting at which such election will be held.

(c) The Committee will review all nominees, and the corporation's proxy materials being prepared in connection with such meeting will include information relating to, and afford stockholders the opportunity to vote for, all nominees who are included by the Committee in the corporation's proxy materials. The Committee shall be required to include in such proxy materials at least one nominee of each stockholder or group of stockholders who beneficially own Voting Shares with a Market Price (as herein defined) of at least \$250,000 at the time notice of such meeting is sent to stockholders and who submit the information required with respect to such nominee under subparagraph (B)(2)(b). The Committee may include more than one nominee of such person or persons, provided that the number of nominees included by the Committee which are submitted by any one person or group of persons may not exceed the number of directors to be elected at such a meeting.

(d) The corporation's proxy statement and other communications with respect to the election shall contain, on an equal basis and at the expense of the corporation, descriptions and other statements of or with respect to all nominees for election which qualify under the procedures set forth in this Article.

(3) If necessary to assure that the provisions of this Paragraph (B) are fairly applied and complied with, the Board of Directors may postpone any meeting of stockholders to which this Article would apply for such period of time as shall be necessary to permit the Committee to perform its responsibilities hereunder.

(4) Notwithstanding any other provision which may be contained from time to time in this Certificate of Incorporation or the by-laws of the corporation concerning the manner in which the size of the Board of Directors of the corporation may be established or changed, in the event that a person becomes a Substantial Stockholder, the number of directors at the time such person becomes a Substantial Stockholder shall remain fixed and may not be changed by the Board of Directors or the stockholders until such time as such person is no longer a Substantial Stockholder.

(C) For purposes of this Article Fifteenth:

(1) "Interested Stockholder" shall mean any person (other than the corporation or any Subsidiary; and other than any profit sharing, employee stock ownership, or other employee benefit plan of the corporation or any subsidiary, or any trustee of or fiduciary with respect to any such plan when acting in such capacity) who or which:

(a) is the beneficial owner, directly or indirectly, of not less than 5% of the Voting Shares and has been such a beneficial owner for less than four years; or

(b) is an Affiliate of the corporation and at any time within two years prior thereto was the beneficial owner, directly or indirectly, for a period of less than four years of not less than 5% of the then outstanding Voting Shares; or

(c) is an assignee of or has otherwise succeeded to any shares of capital stock of the corporation which were at any time within two years prior thereto beneficially owned by any Interested Stockholder and such assignment or succession shall have occurred in the course of a transaction or series of transactions not involving a public offering within the meaning of the Securities Act of 1933.

(2) The term "Substantial Stockholder" shall mean any person (other than the corporation or any Subsidiary; and other than any profit sharing, employee stock ownership or other employee benefit plan of the corporation or any subsidiary, or any trustee of or fiduciary with respect to any such plan when acting in such capacity) who or which is the beneficial owner, directly or indirectly, of not less than 40% of the Voting Shares.

(3) For the purpose of determining whether a person is an Interested Stockholder or a Substantial Stockholder, the number of Voting Shares deemed to be outstanding shall include shares deemed beneficially owned by such person through application of subparagraph (4) of Paragraph (C) of Article Fourteenth, but shall not include any other Voting Shares that may be issuable pursuant to any agreement, or upon exercise of conversion rights, warranties or options, or otherwise.

(4) For purposes of this Article Fifteenth, the terms "Voting Shares," "beneficial owner," "person," "Affiliate," "Associate," "Subsidiary," and "Market Price" shall have the meanings set forth in Article Fourteenth of this Certificate of Incorporation, except that "Market Price" shall mean the last closing sale price or the last closing bid quotation immediately preceding the date in question instead of the highest closing sale price or the highest closing bid quotation during the 30-day period immediately preceding the date in question; and

(D) The Board of Directors shall have the power and the duty to determine for the purposes of this Article Fifteenth (a) whether the provisions of the Article are applicable to a particular transaction, (b) whether a person is an Interested Stockholder or a Substantial Stockholder, (c) the number of Voting Shares or other securities beneficially owned by any person, (d) whether a person is an Affiliate or Associate of another, (e) what the Market Price is and whether a price is above the Market Price as of a given date, and (f) whether any person nominating directors in accordance with Paragraph B.2. beneficially owns Voting Shares with an aggregate Market Price of at least \$250,000.

SIXTEENTH: No action required to be taken or which may be taken at any annual or special meeting of stockholders of the corporation may be taken without a meeting, and the power of stockholders to consent in writing, without a meeting, to the taking of any action is specifically denied.

SEVENTEENTH: To the fullest extent permitted by the General Corporation Law of the State of Delaware as the same exists or may hereafter be amended, a director or officer (as defined below) of the corporation shall not be liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director or officer.

Any repeal or modification of this Article shall not result in any liability for a director or officer with respect to any action or omission occurring prior to such repeal or modification.

All references in this ARTICLE SEVENTEENTH to an “officer” shall mean only a person who, at the time of an act or omission as to which liability is asserted, falls within the meaning of the term “officer” as defined in Section 102(b)(7) of the General Corporation Law of Delaware.
