## Quarterly Comments

- Results driven by excellent conversion on modest revenue growth; Europe remains weak, China continues to slow
- Solid revenue growth in Energy and Engineered Systems (10\% \& 8\%, respectively)
-Revenue declines in Communication Technologies and Printing \& Identification driven by challenges at Sound Solutions and weaker electronics markets, respectively - Strong operating margin performance was broad-based
- Overall book-to-bill of 0.94

## Communication Technologies

## Quarterly Comments

- Modest revenue declines in most served end-markets
-Within the handset market, strong MEMs revenue growth offset by lower Sound Solutions volume
- Margin gains driven by strong leverage on MEMS volume, and absence of one-time acquisition related costs realized in prior year, partially offset by lower Sound Solutions volume
- Bookings growth led by handset markets
